

Christmas Sweepstake

in support of

**Cruse
Scotland**
Bereavement Support

This Christmas we're asking you to help children in Scotland whose lives have been shattered by the death of someone close.

Demand for our Children and Young People Bereavement Service has increased and we desperately need to train more specialists to be able to support everyone who needs us.

Unless we can build more resource to cope with the demand, the likelihood is we ultimately have to turn families away. Please help to ensure that does not happen.

By playing this sweepstake with your friends, family or colleagues, and making a donation to Cruse Scotland, you will offer hope and vital support to many grieving children - thank you!

How to play:

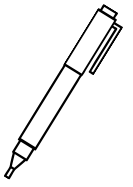

- Decide how much to sell each Christmas ticket for - we suggest £5 each.
- Next, agree the prize. Here's a few ideas...
 - 50/50 - If you sell 36 tickets at £5 each, you will have £180. Give half to the winner and donate the other £90 to Cruse Scotland in their name.
 - You could buy / ask someone to donate a prize, for example; a bottle of wine or a spirit, or a Christmas hamper. A workplace could offer a day off or a local business may donate a voucher. Then all the funds raised from the sale of the tickets (minus any costs) can be donated.
 - Cut out the 36 Christmas tickets on page 2, fold and pop them in a hat and each time someone makes their payment, they draw one at random. Write down who chose each ticket on page 3.
 - When you have sold all the tickets or want to make the draw, cut up the tickets on page 3, pop them in a hat and ask someone to pick a winner at random!
 - Give the winner their prize and pay in your donation to Cruse Scotland (details on p.4) - and have a Merry Christmas knowing you have made a difference.

Cut out the 36 tickets below, fold, and pop into a hat. Once you have received a donation from each participant ask them to pull a ticket at random. Don't forget to keep track of who has which by writing their name on the chart on page 3.

Keep a note of who picked each ticket below.

When you are ready to make the draw, cut each ticket (picture and entrant's name) and pop in a hat. Ask someone to draw a winner at random - Good luck!
